Be aware that some four-year institutions require a minimum 2.50 or higher for entrance into the teacher preparation program. Check with the transfer institution for specific requirements.

Bilingual certification also requires SPAN 2311-2312 (*SPAN 2311 has course prerequisites*).

Some four-year schools have course preferences. Check with the transfer institution before selecting courses.

If a student has already taken core curriculum courses differing from the designated AAT courses above, then the student should follow the AA degree plan and the specific university's transfer plan leading to teacher certification.
