

Houston Community College  
Alternative Teacher Certificate Program  
Consent for Candidate Resume Forwarding

### **Consent for Candidate Resume Forwarding**

The Alternative Teacher Certification Program at Houston Community College regularly receives requests from schools and districts seeking qualified interns. To support our candidates in fulfilling the State of Texas' requirement of a one-year academic internship for standard certification, we strive to facilitate internship opportunities.

By signing this form, you authorize our program to share your application materials—including your resume, transcripts, certification exam scores, letters of recommendation, and statement of intent—with partner organizations for potential internship placement. Partner institutions may include local independent school districts (ISDs), charter schools, and private educational institutions.

I approve and agree to distribution of my resume and relevant documentation to potential schools, districts, or program partners.

I decline to the distribution of my resume and relevant documentation to partners.
